NATIONAL CONFERENCE

CURRENT UPDATES & RECENT ADVANCES IN ART

16th & 17th November, 2024

Vigyan Bhavan, University of Mysore
Mysore - Karnataka

ORGANISED BY

Asia Pacific Institute of Embryology (ASPIER)
&
The University of Mysore (UOM)

WELCOME MESSAGE

ASPIER and UOM together have been imparting knowledge in clinical embryology and pre-implantation genetics for the past 10 years and have now come together to disseminate knowledge by bringing together experienced experts in the field of ART on a single platform.

On behalf of both ASPIER and UOM, we are pleased and honored to extend a warm welcome to the conference on "Current updates and recent advances in assisted reproductive technology" from November 16-17, 2024. We are delighted to have you join us at the Vigyan Bhavan, University of Mysore, Mysore.

To have a meaningful discussion on important topics, we have drawn experts in the field who will share their knowledge during the conference through panel discussions and the audience will have ample opportunity to interact one on one with the experts. Over the two days, we have lined up important current topics that promise to bring in cutting-edge research, best practices, and emerging trends in our field. Our aim is to provide you with a stimulating platform for learning and networking through such brainstorming sessions. We hope to achieve some consensus on important practices on both clinical and embryological aspects of ART like newer stimulation protocols, intricacies of optimal endometrial preparation, new developments in vitrification, PGT, maintaining consistent success, clinical importance of sperm DNA fragmentation testing etc.

In addition, you will have an opportunity to experience the culture & cuisine of Karnataka. We have lined up a fascinating cultural program with a magic show by a well-known magician who will mesmerize you with his magic tricks.

Welcome to Mysore, the cultural capital of Karnataka, which is known for its world famous Dasara festival, Mysore Palace, Brindavan gardens, Chamundi hills & Temple etc.

Once again, a warm welcome to Mysore for the ASPIER-UOM Conference.

Regards

Organizing Team

PATRON

Prof. N.K Lokanath
Vice Chancellor
University of Mysore

ORGANIZING CHAIRPERSONS

Dr. Suresh Kattera
Prof & Director, ASPIER

CONFERENCE PROGRAM

Saturday, 16th Nov, 2024

Time	Topic	Speaker
9am to 9.20 am	Past, Present & future of ART	Suresh Kattera
9.20am to 9.40 am	How to Approach Male Infertility	Gopinathan

10 am to 10.15 am Coffee Break

9.40 am to 10.40am	<i>Panel Discussion: Ovarian Stimulations: Newer Strategies</i> <i>Panelists: Shilpa , Jitendra Prajapati, Prakash Savanur , Dileep Ramesh , Sanjay Makwana, Jayashree</i>	Moderators: Prajwal S & R.G Patel
10.50 am to 11.50 am	<i>Panel Discussion: Embryo vitrification: Troubleshooting & recent advances.</i> <i>Panelists: Goral Gandhi, Ravi Nirvani, Rajul Tyagi, Charudutt Joshi, Manisha Vajpayee, Kersi Avari, Sanjeev Maheshwari, Ritesh Agarwal</i> <i>Video: Rapid embryo & oocyte Vitrification & warming</i>	Moderators: Parasuram Gopinath & Aanchal Saini
12.00 pm to 1.00 pm	Inauguration	Prof. N.K Loknath, Vice Chancellor, University of Mysore

1.00pm - 1.45pm: Lunch

2.00 pm to 3.00 pm	<i>Panel Discussion: Does Sperm DNA Fragmentation impact IVF Outcome?</i> <i>Panelists: Sanketh, Sanjay Yatnale, Swaminathan, Nishad Chitmate, Sujatha Suresh, Srikanth Yatnale, Ravi Kumar</i> <i>Video: Rapid DNA frag Test</i>	Moderators: Ved Prakash & Charudutt Joshi
--------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------

3pm to 3.15pm Tea Break

3.15 pm to 4.15 pm	<i>Panel Discussion: Advances in Embryo Culture & Artificial Intelligence</i> <i>Panelists: Sujatha Suresh, Vijay Kumar, Priya Kannan, Shrikanth Yatnale, Shilpa Marwah, Madhusudhan, Nishad Chimote, Sanjay Yatnale</i> <i>Video: Timelapse unseen videos</i>	Moderators: Kersi Averi & Swaminathan
4.15 pm to 5.15 pm	<i>Panel Discussion: Clinical & Laboratory challenges in maintaining consistent pregnancies.</i> <i>Panelists: Manisha Vajpayee, Aanchal Saini, Priya Kannan, Parasuram Gopinath, Vijay Kumar, Shilpa Marwah, Rajul Tyagi, Jitendra Prajapati ,R.G Patel</i> <i>Graphical representations</i>	Moderators: Gopinathan, Sujatha Ramakrishna

7pm onwards: Cultural Program & Banquet Dinner

CONFERENCE PROGRAM

Sunday, 17th November 2024

Time	Topic	Speaker
9.30 am to 9.50 am	Embryologist as the keystone of KPI in the lab	Krishna Chaitanya
10.00 am to 10.15 am		Tea break
10.15 am to 11am	<i>Panel Discussion: Embryo Biopsy & PGT: Recent Developments & Controversies</i> <i>Panelists: Krishna Chaitanya, Madhusudhan, Akash Agrwal, Charudutt Joshi, Goral Gandhi, Ved Prakash, Sachin Kulkarni, Sanjeev Maheshwari, Prateek Makwana</i>	Moderators: Sanketh Dhupal & Ritesh Agarwal
11.00 am to 12.00 am	<i>Panel Discussion: Optimal Endometrium preparation for frozen embryo Transfer: A Game changer</i> <i>Panelists: Sanjay Makwana, Jitendra Prajapati, Shilpa, Priyanka, Prakash Savanur, Dileep Ramesh, Jayashree</i>	Moderators: RG Patel & Sanjay Makwana
12 pm to 12:30 pm	QUIZ	
12:30pm		Lunch

REGISTRATION FEES: ₹3000/-

REGISTRATION PRIVILEGES (2 Days)

- Access to Scientific Sessions
- Lunch on the 16th and 17th
- Cocktail dinner on the 16th
- Tea/ Coffee Breaks During Conference
- Conference Kit
- Certificate of Participation from ASPIER & the University of Mysore

Scan to Register

HIGHLIGHTS

- Demonstration of rapid embryo vitrification
- Demonstration of rapid SDNA fragmentation
- Demonstration of ESCO Timelapse Incubator and morphokinetics
- Cultural program
- Magic show
- Karnataka cuisine
